

HOW TO CANCEL AN APPOINTMENT AT THE CABINET OF THE GOVERNOR

(after making an appointment on www.kabgsxm.com):

The screenshot shows a blue header with the coat of arms of SXM and the text "Cabinet of The Governor of SXM, Consular Affairs - Consultations". Below this, it says "Upcoming booking for" followed by a blurred name. A horizontal line separates this from the appointment details: "Information Dutch citizenship (1 person)". On the left, there is a calendar icon, the date "Monday, April 14, 2025", the time "9:45 AM (15 minutes)", a person icon, and the name "Balie 1". On the right, there are three buttons: "Reschedule" (dark blue), "Cancel booking" (dark blue), and "New booking" (white with a grey border). At the bottom, a small note states "All times are in (UTC-04:00) Caracas".

You will see the screen above after you have booked your appointment.

Afterwards you will receive a confirmation of your booking via email (please fill in the correct email address, otherwise you will not receive the confirmation).
